IT'S UP TO US.

AJC is the premier global Jewish advocacy organization. Our unparalleled access to government officials, religious leaders, and other decision-makers positions us to impact policy and opinion on the issues that matter most.

This is a defining moment. It's up to us to fight rising antisemitism and hate, to take on those who challenge Israel's legitimacy as a nation, and to safeguard our democratic values. AJC is leading the way. Join us. If we don't act, who will?
