**AMERICAN JEWISH COMMITTEE
2022 SIMON LAZARUS, JR., HUMAN RELATIONS AWARDS**

JUNIOR STUDENT ESSAY

(To be composed by nominee and returned to school counselor or official for submission with all documents.)

DEADLINE: All documents must be received by Friday, February 4, 2022

Congratulations! Your school believes that you have made the Greater Cincinnati/Northern Kentucky region a better place in which to live through such human relations activities as helping others, leading your peers in tackling society's problems, or acting to reduce prejudice and intolerance. Please tell our committee a little about yourself by listing up to four of your principal volunteer human relation activities (without naming the specific organizations). Then, describe in detail one or more especially meaningful experiences from your service to others and explain why you consider them significant. Be sure to stress both the role you took in the creation and implementation of these experiences and their impact on our community and beyond. (Please limit your essay to two typed pages.)

In an effort to keep nominees anonymous during the judging process, please refer to your school as "my school" and to the place where you have volunteered as "my organization." Judges will see only the Nomination form, Student Essay, and Recommendation form. The Application is confidential and remains in the AJC office.
