

ABOUT US

Who We Are:

American Jewish Committee (AJC) is the leading global Jewish advocacy organization, with close working relationships with elected officials, religious leaders, and other decision-makers. Through that engagement and our presence across America and the globe, AJC is able to impact policy and opinion on some of the most important issues facing the Jewish people: fighting antisemitism and all forms of hate, strengthening Israel's place in the world, and defending democratic values.

What We Do:

- **Combat Antisemitism and All Forms of Hate** | AJC counters the multiple sources of antisemitism by educating the public about the issue; calling on governments and elected officials to act; and organizing coalitions with other faith, ethnic, and civic leaders to forge a united front against hate.
- **Strengthen Israel's Place in the World and Cultivate New Allies** | AJC seeks to strengthen and expand Israel's ties in the United States and with nations on every continent, while countering assaults to the Jewish state's right to exist in peace and security.
- **Promote Pluralism and Protect Democratic Values** | AJC upholds democratic values, fights racism and intolerance, and advances pluralism and the protection of minorities at home and abroad.

How We Work:

- **Global Diplomacy** | Through strategic, long-term diplomacy and engagement with decision-makers, AJC affects policy on critical challenges facing the Jewish people.
- **Political Advocacy** | Staunchly nonpartisan, AJC advocates for policies at the local, state, and federal levels that uphold our mission and advance our domestic and global priorities. AJC places special emphasis on robust, principled U.S. global leadership as a critical component of our advocacy work.
- **Coalition-Building** | AJC builds alliances with a broad range of faith and ethnic communities across the globe in order to jointly advance issues of mutual concern.
- **Strategic Communications** | Our unparalleled online community, including the largest social media presence of any Jewish organization, amplifies our positions, spreading our message while engaging millions of followers on our advocacy initiatives.

Our Network:

- **Global Network** | AJC has 24 U.S. Regional Offices; 13 overseas posts and regional institutes that serve as our advocacy hubs in Africa, Asia, Europe, Latin America, and the Middle East; and 37 partnerships with Jewish communities around the world.
- **Access** | AJC maintains high-level relationships with officials and civic leaders in the U.S. and over 110 other nations.
- **Reach** | AJC engages more than three million advocates in multiple languages, including Arabic, French, German, and Spanish, across Facebook, Twitter, and Instagram.
