

BIOGRAPHY

Ms. Reem Musabbeh is the first & youngest Emirati female to co-found an IT software house company: Retech Solutions!

Reem has had a long sparked interest in entrepreneurship while she was completing her higher education degree in Chemical Engineering with a minor in Entrepreneurship. She started Retech Solutions, a leading technology company from the UAE, that provides digital transformation for companies and SME's while following the latest trends in the technology world.

The serial entrepreneur & startup mentor has built a reputation for her success in startups, forming the face of the modern woman in the UAE as it has taken years of hard work and dedication.

Ms.Reem Musabbeh is also a board member of the Dubai Youth Council and has been selected as an ambassador in Al Maktoum College in Scotland. Ms.Reem Musabbeh has also been featured by innovation Arabia 13 MIT, global student entrepreneurs award EOGSEA, Masdar Future Sustainability Leaders and Dubai Chamber. Her company was presented at AIBIC Global Summit, Arab Excellence, GITEX future stars and TechStars. She is also one of the first female entrepreneurs in UAE who has been selected for the "Be Change Maker" movement at world skills that aims to solve global challenges through social entrepreneurship skills.
